

Ambassador Program

The Mission & Purpose

Ambassadors are committed to a positive business environment in Bullitt County through enhanced goodwill, communication, and public relations. This program should be considered a privilege and for the purpose of promoting the Chamber's image and relationships among its members.

Objectives

1. To promote fellowship within the Bullitt County Chamber of Commerce and interact and educate members of the chamber.
2. To act as representatives of the Chamber at all official Chamber functions.
3. To create working relationships with the new members of the Chamber and encourage them to participate in Chamber events throughout the year.
4. To assist Chamber staff at events such as Networking Luncheons, Ribbon Cuttings, and more.
5. To reach out to non-members through visitation and phone calls.

Responsibilities

The primary responsibility of an Ambassador is to create rapport among the membership through positive, personal contact. Your role as an Ambassador can be defined as:

1. A Chamber member interested in other Chamber members.
2. A source of information about the Chamber, its products, services, and benefits.
3. A sounding board for member concerns.
4. A friendly face at Chamber events.

Requirements

Must be an active member with the Chamber for at least 6 months. This is a 12-month commitment.

Since the Ambassadors are the welcoming arm of the Chamber and the most visible, an Ambassador is expected to be more active than other Chamber members.

Event and Meeting attendance requirements: Ambassadors must attend the first monthly meeting of the year (January), attend 8 monthly ambassador meetings, and attend as many events such as ribbon cuttings, networking luncheons, etc. they are able to. If an ambassador is unable to meet these requirements, they should re-evaluate their commitment to the program.
